**FISCAL IMPACT STATEMENT**

**LS 6080**

**BILL NUMBER:** SB 34

**NOTE PREPARED:** Feb 20, 2004

**BILL AMENDED:** Feb 19, 2004

**SUBJECT:** Disclosures Related to Airline Baggage.

**FIRST AUTHOR:** Sen. Zakas

**FIRST SPONSOR:** Rep. Dvorak

**BILL STATUS:** CR Adopted - 2nd House

**FUNDS AFFECTED:** X GENERAL  
X DEDICATED  
FEDERAL

**IMPACT:** State & Local

**Summary of Legislation:** (Amended) This bill provides that a person who: (1) checks luggage on a commercial passenger airline knowing the luggage contains a dangerous device; and (2) knowingly or intentionally fails to disclose in writing to an airline that the person is transporting a dangerous device in the checked luggage; commits a Class D felony.

**Effective Date:** July 1, 2004.

**Explanation of State Expenditures:** There are no data available to indicate how many offenders may be convicted of knowingly or intentionally committing undisclosed transport of a dangerous device, a Class D felony. A Class D felony is punishable by a prison term ranging from six months to three years or reduction to Class A misdemeanor depending upon mitigating and aggravating circumstances. The average expenditure to house an adult offender was \$26,825 in FY 2002. (This does not include the cost of new construction.) If offenders can be housed in existing facilities with no additional staff, the average cost for medical care, food, and clothing is approximately \$1,825 annually, or \$5 daily, per prisoner. The average length of stay in Department of Correction (DOC) facilities for all Class D felony offenders is approximately ten months.

**Explanation of State Revenues:** If additional court cases occur and fines are collected, revenue to both the Common School Fund and the state General Fund would increase. The maximum fine for a Class D felony is \$10,000. Criminal fines are deposited in the Common School Fund. If the case is filed in a circuit, superior, or county court, 70% of the \$120 court fee that is assessed and collected when a guilty verdict is entered would be deposited in the state General Fund. If the case is filed in a city or town court, 55% of the fee would be deposited in the state General Fund.

**Explanation of Local Expenditures:** If more defendants are detained in county jails prior to their court

hearings, local expenditures for jail operations may increase. The average cost per day is approximately \$44.

**Explanation of Local Revenues:** If additional court actions occur and a guilty verdict is entered, local governments would receive revenue from the following sources: (1) The county general fund would receive 27% of the \$120 court fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. (2) A \$3 fee would be assessed and, if collected, would be deposited into the county law enforcement continuing education fund. (3) A \$2 jury fee is assessed and, if collected, would be deposited into the county user fee fund to supplement the compensation of jury members.
